

1. Normal emphasized texts. 2. Underlined texts with line breaks. 3. Yet underlined texts with line breaks. 4. *Underlined texts in italic fonts ...* 5. *Yet underlined texts in ...* 6. Returned to normal emphasized texts. 7. The next phase is wavy underlined. 8. The next phase is ~~striked-out statement~~. 9. The next phase is ~~crossed out statement~~.

1 Centre of gravity

This is the point though which the resultant of the gravitational forces of all elemental weights of a body acts.

2 Centre of mass

The definition of the centre of gravity is given in Section 1

L^AT_EX prints texts with both side aligned. Left aligned texts can be produced through the ‘flushleft’ environment.

L^AT_EX prints texts with both side aligned. Right aligned texts can.

L^AT_EX prints texts with both side aligned. Center aligned texts can.

LaTeX prints texts with both side aligned, covering the specified width of a page.

Quoted statements are also printed with both side aligned, but in a narrowed width.

- *Anonymous*

The ‘quotation’ environment is used for printing quoted statements in a narrowed width.

- (1) There are certain key issues to attract investors, which need to be addressed.
- (2) There are certain key issues to attract investors, which need to be addressed.
- (3) There are certain key issues to attract investors, which need to be addressed.
- (4) There are certain key issues to attract investors, which need to be addressed.

(5) There are certain key issues to attract investors, which need to be addressed. (6) There are certain key issues to attract investors, which need to be addressed.

(1) There are certain key issues to attract investors, which need to be addressed.

(2) There are certain key issues to attract investors, which need to be addressed.

(3) There are certain key issues to attract investors, which need to be addressed.

(4) There are certain key issues to attract investors, which need to be addressed.

(5) Investing policies: There are certain key issues to attract investors, which need to be addressed.

(6) Investing policies: There are certain key issues to attract investors, which need to be addressed.
